

ALL DAY MENU WITH

# Astoria

MIDLAND PARK  
established 1996

We work alongside some great small independent farms and producers where sustainability and seasonality is key.

Our fesh pasta is thumped, stretched, rolled and extruded... gently, with no harm done.

Astoria bread & pizzetta is made of local durum flour, sour dough base and is fermented for at least 48 hours then baked fresh every service. I mean, this is serious bread.

## TO START
